

Oversikt over godkjente biocidprodukter i Norge *Lists of authorised biocidal products in Norway*

Oppdatert mars 2022 / *Updated March 2022*

Listene nedenfor viser biocidprodukter som er godkjent i Norge. Biocidproduktene deles inn i 22 [produkttyper](#) (PT) som angir bruksområdet til produktet. Vær oppmerksom på at det for enkelte produkttyper foreløpig ikke finnes godkjente produkter.

Andre produkter kan være tillatt brukt i Norge i henhold til [de nasjonale overgangsbestemmelsene](#).

The lists below show the biocidal products currently authorised in Norway. The biocidal products are divided into 22 [product-types](#) (PT) indicating different uses. Please note that there are some product-types where no products have been approved yet.

Other products may be allowed in Norway in accordance with [the national transitional requirements](#).

PT 1 - Hygiene for mennesker / *Human hygiene*

Handelsnavn <i>Trade name</i>	Aktivt/aktive stoff <i>Active substance(s)</i>	Godkjenningsinnehaver <i>Authorisation holder</i>	Godkjenningsnr. <i>Authorisation no.</i>
